

Quality Systems & Software to present at Financials 2016 in Las Vegas

Las Vegas, NV, 6 January, 2016 – Quality Systems & Software is proud to announce that they will be presenting at the upcoming SAPinsider [Financials 2016](#) conference to offer proven advice to attendees. The event takes place March 15-18 at the MGM Grand in Las Vegas. Attend to get best-in-class approaches and perspectives from leading consultants, industry trends from analysts, lessons learned from customers, and roadmaps including latest product updates from SAP.

Every year, in collaboration with SAP, SAPinsider Events presents the most important financials conference for organizations using SAP® solutions for finance to drive accounting, controlling, planning, and reporting excellence. This event not only offers a detailed look at the entire range of capabilities within SAP financial solutions, it facilitates learning, networking, and one-on-one conversations with expert speakers.

You can also check out the full agenda, as well as receive a \$400 discount off the registration price by visiting www.financials2016.com/QSandS.
