

## Quality Systems & Software to present at Financials 2016 in Las Vegas

**Las Vegas, NV, 23 January, 2017** – Quality Systems & Software is proud to announce that they will be presenting at the upcoming SAPinsider [Financials 2017](#) conference to offer proven advice to attendees. The event takes place March 21-24 at the Mirage Hotels and Casinos in Las Vegas. Attend to get best-in-class approaches and perspectives from leading consultants, industry trends from analysts, lessons learned from customers, and roadmaps including latest product updates from SAP.

Every year, in collaboration with SAP, SAPinsider Events presents the most important financials conference for organizations using SAP® solutions for finance to drive accounting, controlling, planning, and reporting excellence. This event not only offers a detailed look at the entire range of capabilities within SAP financial solutions, it facilitates learning, networking, and one-on-one conversations with expert speakers.

### QS&S presentations

- JUMPSTART: Demystifying parallel currencies in SAP ERP Financials
- Strategic and technical considerations for SAP General Ledger or SAP S/4HANA Finance transition
- SAP S/4HANA Finance: The latest financial transformation trends
- How to successfully plan and execute the Global Chart-of-Accounts standardization initiative
- Ask-the-Experts: SLO-type Conversions, S4HANA Strategies, New G/L Migrations
